## THE LCCI DESIGNATION PROGRAM

What is it?  
How do I get it?  
Who are they?

Canada's only condominium-specific  
designation for condominium professionals,  
consultants, service providers or trades.

Be part of the community serving  
condominiums coast to coast.

your condo connection  
...to professionals and trades

CCI is an independent, non-profit organization formed in 1982 with chapters throughout Canada representing over a half of a million condominium unit owners.

CCI is the only Canadian organization dealing with condominium issues .... for the benefit of condo corporations, residents, professionals and trade service suppliers. Representing all facets of the condominium community, CCI encourages all interest groups to work toward one common goal.

The LCCI is a multi-disciplinary designation for professionals and trades who provide expert services to the condominium industry. Backed by CCI's reputation, LCCIs are able to demonstrate their competence to current and potential clients and to others in their professions. Holding an LCCI marks you as a leader and helps you stand out from competitors.

### THE LCCI DESIGNATION

- Recognize those individuals who have and continue to contribute knowledge and expertise to CCI and the condominium industry, regardless of trade or profession;
- Market CCI to prospective CCI members, consumers and industry participants; and
- Create and celebrate a value proposition in the new designation

Demonstrate your expertise by fulfilling the mandatory criteria. By meeting the criteria, you will earn your LCCI designation and show the world the enhanced value you offer.

Chapters and National celebrate LCCI professional and individual members through personal profiles in newsletters and websites, listings in Chapter directories, and the "Find an LCCI" feature on the National website.

If you are a Professional or Individual Member that meets the designation criteria, we welcome you to apply for this designation.

To ensure we have only committed individuals apply and to offset administrative expenses, there will be a mandatory, non-refundable application fee of \$150.00 (plus applicable taxes) for each application.

Coast to Coast ...  
We are your condo connection!
